User Manual - English

FAQ:

Q: What Cell Phone Carrier is available for this watch phone?

A: Better to call or google your Sim Card Provider to check.

All Countries' GSM networks are ok, CDMA NOT OK.

In USA, AT&T, T-Mobile and all other GSM carriers are ok, But SPRINT or VERIZON is NOT ok(they are CDMA network, not GSM).

Q: Can I call with this watch directly?

A: Yes this watch has Build-in Speakers and Mic, you can directly call with only the watch. Our free wired earphone and your own bluetooth earphone is also ok to make a call by this watch.

Q: What kind of Sim Card is ok for this watch phone?

A: Normal Standard Size Sim Card is ok(just like most regular cell phones), BUT Micro Sim Card is NOT ok(just like the small Micro sim card inside Iphone)
