Apologies - I have written this in English - but Gogle translate does a pretty good jobLack of use and my old age has prompted me to sell my lovely 1986 Roger Clark CVX 16 "SOLITAIRE.It has been said the build and lay up quality of these UK manufactured boats was among the best of the marque, and theÅ metallflake gold finish is absolutely stunning - Solitaire has never been painted - she is un-damaged - Has a solid floor and transom, just cherished and polished from new.A unique boat in so-much as the previous owner bought it at 86. (I have the original purchase receipts !) and has run it for less than 220 hours on a small inland freshwater lake since it was purchased.He never allowed the carpet to get wet and the boat was always kept under cover.The original seating is in great condition - all embossed with the Roger Clark logos, I have the Glastron original steering wheel in top condition, plus a lovely OBA mahogany wheel.The Mariner inline six 90hp "tower of power" (prop rated) is like the day it was produced - she runs a 20 "pitch" Mirage prop and goes like a train - but super smooth.This boat and engine has never seen salt water (I have run it in Cardiff Bay freshwater only for no more than 6 hours) and the engine is serviced every year regardless of the hours run, even having all new power packs and cdi units two years ago just as a precaution!She sits on a totally refurbished (last year) galvanized roller coaster that was converted to bunks, new bearings brakes tyres (and spare wheel).A recent winner of the CMBA best fiberglass boat award (see attachment to videos)<https://www.youtube.com/watch?v=Cxgl042pNPM>

I would consider an exchange for a classic houten dutch sloop with inboard engine and trailer of the same value
