

Bluetooth muziek luisteren Yatour or origineel Gratis verz (11,95 EUR)

Locatie **Utrecht, Bilthoven**
<https://www.advertentiax.nl/x-718591-z>

Vervang je aux kabel voor een bluetooth signaal! Nooit meer zo'n vervelend aux kabeltje maar automatisch een bluetooth verbinding en je kan muziek afspelen!

In deze USB stick stop je de bestaande AUX kabel en de stick zet dit dan om naar een bluetooth signaal.Â

Ook stukken goedkoper dan de originele yatour bluetooth adapter!Â
 Het usb stickje heeft alleen een beetje voeding nodig middels een usb poort.Â
 Dit kan of via de 12v of via een bestaande usb poort in de auto.Â

Bestellen gaat als volgt; stuur een mailtje, smsje of whatsapp met je gegevens en ik stuur je mijn bankrekeningnummer terug. Wanneer het geld op mijn rekening staat gaat het pakketje uw kant op.Â
 Ook heb ik er vaak wel wat op voorraad om af te halen. Ook hiervoor even contact opnemen.Â
