If I would have asked you back in 1976 to spend \$49 in a company that believed in a personal computer business? How happy would je be now? Knowing I am talking about Apple!

If I would have asked you back in 2004 to spend \$49 in a company that believed in a high school database friendship platform? How happy would you be now? Knowing I am talking about Facebook!

If I would have asked you back in 1996 to spend \$49 in a company that believed in an advanced search machine that would help people, to find information on the internet? How happy would you be now? Knowing I am talking about Google!

I want you to have a look at this picture.
