Aprilia PEGASO 650 STRADA

WELL MAINTAINED PEGASO 650 STRADA WITH RELIABLE YAMAHA XT 660 BLOCK

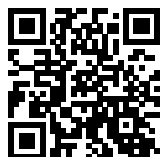

The engine and components are in very good conditions as I always regularly brought to mechanics checks (recently changed the chain kit and hidraulic pump)

ThereÂ are scutches in the left side of the tank and due to parking outside, there is some rust and other minors defects. Apart from that the bike is driving.
