CKW Trading is a dutch company situated in Lichtenvoorde (Achterhoek) and specialized in distributing Solar Panels, inverters and mounting material in Europe but mainly in The Netherlands, Belgium and Italy.

The solar market is growing fast and we are looking for an intern to assist the European manager and to develop our sales, mainly in The Netherlands, Belgium and UK. At the end of the internship, a job offer will be proposed.

The mission proposed is =

- *Assist our European manager in our everyday organization (binnendienst)
- *Logistic : organize the continue flow of containers "in" and "out" our storage.
- *Customer service : be in direct contact with existing customers and new customers. Be able to give their the information needed
- *Sales : search for new customers (Netherlands, France and UK)
