Ozone Reo 8M uit 2013 in goede staat zonder reparaties. Stabiele en makkelijk te varen kite. Is uitgebracht als wave kite maar is ook zeer geschikt als freeride of beginners kite.

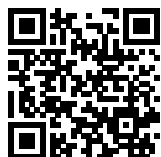

Hieronder conclusie van test Reo 8M uit 2013 door KITESURF:

Verdict: The Reo is and has always been 100% about surfing. And its got a few years development on some of the newer kites. It is a very well-engineered, simple kite, and the weight is striking. You could fit a one of these in your coffin bag instead of a t-shirt. It does love to drift and it does this very well indeed. Nicely played.
