I am selling my BMW... bought it from BMW Den Haag and maintained it very well - in reality one owner. Facelift version. Led backlights. Very sleek looking car with 17inch wheels. Recently put new tyres. It is in absolutely immaculate condition. Xenon lights. Bluetooth for telephone. iPod connector. Lights and rain sensors. Control buttons on steering wheel. Fully /partially Foldable back seats - lots of trunk practical space hen needed. Full maintenance history and all books and all.
