

## Macbook 12inch goud 512ssd zo goed als nieuw (800 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentienx.nl/x-818970-z>

Zo goed als nieuwe macbook 12 inch goud. Factuur aanwezig.

Deze laptop ooit voor mijn vriendin gekocht, alleen zijn kreeg kort erna een laptop van haar werk. Ik vond de laptop in een kastje en het leek mij slimmer hem te verkopen.

Zoals je als de oplaad cycles kan zien is hij niet vaak gebruikt. (Accu zal zich qua percentage nog iets herstellen)

Retina display  
 12-inch (diagonal) LED-backlit display with IPS technology  
 2304-by-1440 resolution at 226 pixels per inch with support for millions of colors  
 16:10 aspect ratio  
 Supported scaled resolutions:  
 1440 by 900  
 1280 by 800  
 1024 by 640  
 Processor.  
 1.2GHz  
 1.2GHz dual-core Intel Core M processor (Turbo Boost up to 2.6GHz) with 4MB shared L3 cache  
 Configurable to 1.3GHz dual-core Intel Core M processor (Turbo Boost up to 2.9GHz) with 4MB shared

|                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |
