Functieomschrijving

You have a passion for organizing, coordinating and implementing training programs and courses. Because you know how important it is to facilitate the development of the employees. If this is you, here is an opportunity in an organization that really invests in the development of their employees. We have an informal and open culture where we invest in the employees development You work in the training department together with an experienced Training Coordinator who will train you as much as possible.

What you do:

You maintain the in house E-Learning training database and keep it up to date. You organize, coordinate and implement a variety of training activities and programs on-site. This includes developing and providing support in technical training programs for the automated warehouse systems. You support Operations in maintaining and creating training content for the Operations (Creating Power Point presentations, Uploading training materials to the E-Learning system, adapting the high level Global Training materials according to the audience level etc.).

- Facilitating and developing a cross-functional team of Operational Trainers
- Ensuring training sessions meet the training plan/strategy requirements
- Conduct Training sessions and evaluate success of training by using different methods.

What you get:

A full time and long term position at a company genuinely investing in their employees. An open and informal environment and a salary of 2700 gross per month.

You must be fluent in Dutch and English. You must have a Bachelor's degree in a relevant field and at least a year of experience in a similar role (facilitating, conducting, or training for managers or audiences). You must have technical and organizational skills.

Please send me your CV or give me a call if you need more information! Uiteraard staat deze vacature

open voor zowel mannen als vrouwen
