

Graphic Designer in Maastricht-Airport (0 EUR)

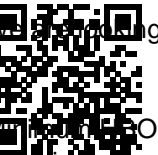

Locatie **Noord-Holland, Amsterdam**
<https://www.advertentienl/x-830258-z>

For one of our relations, a global manufacturer of medical devices, we are looking for a senior Graphic Designer for the EMEA Brand Marketing department, situated at the Maastricht-Airport site. The senior Graphic Designer reports to the Director Marketing Communications & Services. The Brand Marketing Department consists of Marketing Communications, Brand Creative and Marketing Services. This position will be part of Brand Creative, whereas the 'Sr Graphic Designer' has the responsibility for the review, creation and production of complex graphic designs. Essential functions performed:

- Develops and prepares design for various print materials, advertising campaigns, booth and banner displays, stationery, newsletters etc. in terms of visual content format for the company;
- Executes creative solutions with high impact through text and image for online and offline purposes;
- Helps establish and maintain a consistent corporate image/brand voice by monitoring brand design and brand guidelines;
- Maintains current and historical catalogs, files and records of produced printed materials;
- Consults with Marketing Communications to develop art work for products as part of the marketing effort;
- Performs a variety of related design tasks, as required.
