As a marketing employee you are busy collecting reactions, likes, shares and followers of the content you have made within our Polish department every day. You are the most important person in our office when it comes to creating vacancy texts, newsletters, social media posts, direct mail or advertisements to recruit Polish employees.

---

Your content is not to be missed because it is funny, purposeful, attractive and interesting. You also know how to make it within a good pace. Your most important task is to ensure that as many Polish job seekers know where to find us. On average, we have 150 vacancies open, a nice challenge for you.

Yet only writing and creating content is not enough. You are actively looking for the right candidates by distributing the texts via the jobboards, social media channels and websites that you provide. This means boosting! Do you need a flashy advertisement in image or video? That is possible, but then you have to make it yourself! You decide what we have to invest in to recruit the right Polish candidates.
