How \$11 gets turned into \$42 Million

\$11 is 13euro

Challenger

As you activate your account by successfully paying \$11 to the system then you are assigned a rank named challenger.

Now you are eligible to introduce 2 new people to the system, as they activate their account as you did by paying \$11 to the system.

The system will automatically credit \$10 from each person ($\$10 \times 2 = \20) Now from that \$20 the system will automatically debit \$10 to upgrade your rank to herald and the remaining \$10 will be available to withdraw

Herald

When 4 challengers from your level 2 gets a credit of \$20 then the system will debit \$10 from their account to upgrade the rank from challenger to herald now the debited \$10 amount will be credited into your wallet.

You will receive \$10 from each 4 challengers ($\$10 \times 4 = \40) Now from \$40 the system will automatically debit \$20 to upgrade your rank to Guardian and the remaining \$20 will be available to withdraw

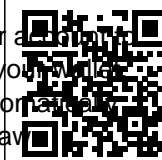

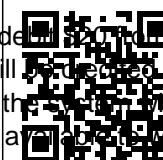

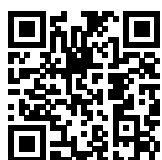

Guardian

When 4 heralds from your level 2 gets a credit of \$20 then the system will debit \$20 from their account to upgrade the rank from herald to Guardian now the debited \$20 amount will be credited into your wallet. You will receive \$20 from each 4 heralds ($\$20 \times 4 = \160) Now from \$160 the system will automatically debit \$80 to upgrade your rank to Crusader and the remaining \$80 will be available to withdraw

Crusader

When 16 Guardian from your level 4 gets a credit of \$160 then the system will debit \$80 from their account to upgrade the rank from Guardian to Crusader now the debited \$80 amount will be credited into your wallet.

You will receive \$80 from each 16 Guardian ($\$80 \times 16 = \1280) Now from \$1280 the system will automatically debit \$640 to upgrade your rank to Archon and the remaining \$640 will be available to withdraw
