Functieomschrijving

For Philips Eindhoven we are looking for a Communication Employee for a six months. You can start right away!

COMPANY: Philips is an innovative company and known for being a great employer. This temporary position will give you an opportunity to get to know Philips and their different processes. Which will be a great work experience to add to your profile.

CHALLENGE: You will get the opportunity to participate in change management, communication and training activities for an HR project, in which we will design and deploy a renewed process for managing Contingent Workers in our HR systems. This project will be implemented globally. Our aim is to improve our current HR processes and systems to meet the growing demand for an easier user-experience for hiring managers, more precise people data and integrated contingent worker management processes.
