

## Alfa Romeo Alfa-147 2.0 T.spark 5DR 2005 Zwart (3.350 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-853433-z>

Prachtige Alfa Romeo 147 2.0 twinspace van 2005. Deze zeer goed onderhouden Alfa Romeo heeft een prachtig lederen interieur waar je zeer comfortabel inzit. Het interieur is nog zeer netjes en altijd rookvrij geweest! Op de auto is zeker niet buizenigd en daarbij zijn ook de volgende reparaties uitgevoerd voor haar in topconditie te houden!

- Nieuwe APK keuring tot 11-2019
- Zeer recent groot onderhoud gehad (olie en filter, luchtfilter, interieurfilter)
- Distributieriem met waterpomp en balansasriem vervangen op 213 000 Km (13-12-2018).
- Vier nieuwe banden (Continental) vervangen.
- Remschijven met blokken voor en achter vervangen.
- Wiellager links achter vervangen.

|                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |
