

## LG G4 32GB Bruin Leer 1Achterkant, 2Accu039s, 1Screenguard (120 EUR)

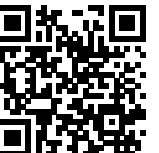

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-860231-z>

Over smartphone  
 LG G4 32 GB smartphone (model H815) met twee achterkanten: Bruin leer (gebruikt) en Zilverkleurig plastic (ongebruikt). Met de zilverkleurige achterkant ziet de telefoon er zo goed als nieuw uit. De smartphone is altijd met screenprotector gebruikt, er zitten daarom geen krassen op het scherm.

- Inbegrepen (zie foto)
- Â 2 accu's (naast de accu die al bij smartphone zat)
  - Â 1 ongebruikte zilverkleurige plastic achterkant (naast leren achterkant)
  - Â 1 ongebruikte glazen screenprotector
  - Â 1 USB kabel en adapter (origineel)
  - Â 1 Draadloze oplaad sticker (op achterkant bruin leer)
  - Â 1 Originele doos en boekjes

Specificaties  
 Merk LG  
 Model G4  
 Processor 2,0 GHz hexa-core  
 Chipset Qualcomm Snapdragon 808  
 Grafische processor Qualcomm Adreno 418  
 Werkgeheugen (RAM) 3 GB

|                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                   |
