

## Synology DS214Play

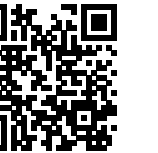

Locatie

Noord-Holland, Amsterdam

<https://www.advertentiax.nl/x-867064-z>

De Synology DS214Play heeft 2 bays voor 3.5 of 2.5 inch sata disks. The maximum opslag capaciteit is 12 TB. Via DLNA is delen van bestanden heel eenvoudig. De 214Play heeft totaal geen moeite met het streamen van full HD films, via wifi of bekabeld netwerk. Tijdens onze vakanties in Zwitserland altijd video's via wifi van de NAS, in ons NL-huis, bekeken. De kwaliteit van de NAS is geweldig en nog steeds in top conditie. De NAS gaat weg omdat ik een Synology DS418Play gekocht heb voor meer opslagruimte van mijn films en wordt geleverd zonder schijven. Instalatie is met behulp van de Synology Assistent heel eenvoudig. Opties achterkant: 2x usb3 en 1x esata aansluiting. Aan de voorkant een usb3 aansluiting met een schakelaar voor automatisch uploaden van bestanden van een aangesloten externe HD. Wordt geleverd in de originele.

|                                                                                                                                                                                                                 |                                                                                                                                                                                                                  |                                                                                                                                                                                                                  |                                                                                                                                                                                                                  |                                                                                                                                                                                                                   |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |
