

# Alfa Romeo MiTo 1.4 T SportClimate controlCruise control (6.200 EUR)

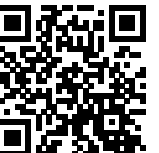

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-867413-z>

Wegens een nieuwe baan waarbij ik met het OV zal gaan reizen bied ik hierbij mijn Alfa Romeo Mito ter koop aan.

Auto is eind augustus aangeschaft bij Carconcept in Doetinchem. Bij aankoop is de auto APK gekeurd deze verloopt op 16-09-2019. Auto is altijd netjes onderhouden, dit blijkt ook uit de bijbehorende papieren (zie foto). Distributieriem is recent vervangen (103.793).

Het betreft de sport uitvoering van de Mito uit 2009. De auto beschikt onder andere over een sportstand, cruisecontrol en climatecontrol. Andere dingen die je erbij krijgt zijn: reservewiel, krik, krabber en nog wat andere accessoires.

Opties:  
 ABS  
 Achterspoiler  
 Armsteun voor  
 ASR  
 BAS  
 Bestuurdersairbag  
 Boordcomputer  
 Buitensp. elektr. + verw.

|                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |
