The all-new X:Breed foil crosses seamlessly between surf and freestyle with the added ability to attach a hydrofoil.

The X:Breed slips nicely into our surf range by offering solid surfing performance and exceptional freestyle abilities. The X:Breed crosses seamlessly between surfing and freestyle. Letting you flex your versatility muscles any time you please. The twin nose and tail shape draw a straighter rail line than a board of the same size. This means that the board has the feeling of a longer board in a shorter, more compact package.

What makes the X:Breed Foil unique is its ability to attach any of our Hi-Rise hydrofoil to it. The X:Breed
