

## BUKH diesel 36PK, keerkoppeling PRM, dashboard met kabelboom (1.850 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-876747-z>

Bukh DV36 inclusief PRM keerkoppeling.  
 Start vlot, loopt prachtig en rustig.  
 Deze motoren zijn onverwoestbaar, degelijk en trillingsarm.  
 Dynamo ontbreekt. Motor mag alhier getest worden.  
 Liefst reactie per.

|                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |
