Do you have Bandit DNA?

If you thrive in a small team environment and want to be part of an award-winning digital agency, this is the position for you.

We're Sticky Bandits, we help brands become meaningful by changing their vision on the (digital working) world. It's our mission to help people, businesses and the society to understand and embrace the digital world because it'll change their way of living. We'll create a connection between business development, processes, work environments and target groups.

How? Simple: by combining strategy, technology and creativity in future-proof concepts. Every champion was once a contender that refused to give up. We don't believe in boundaries, everything's possible. We're ambitious in finding simple solutions to complicated challenges and we present freaking awesome results. Brands that want to achieve success, have to do things differently. Our goal? Developing a better world for tomorrow in the coolest way: together. Let's make an impression to remember.

Job Description

As an artist, you want to work on innovations that matter. You want to have the freedom to discover new things and push boundaries as part of a top-flight team. At Sticky Bandits, you can. Do you bring up awesome ideas, even when people didn't ask you to?
