BMW Motorcycle jacket Streetguard 3 men (black)

The Streetguard 3 suit is the "top-of-the-line" BMW Motorrad textile rider's suit. It's the perfect suit for every time you take to the road, no matter what the weather conditions. From temperatures around freezing to above 77°F you'll enjoy the ride in comfort. New materials produce a suit that's approximately 20% tougher than the Streetguard 2; in fact safety, weather protection, wear comfort and design have been improved over that model. The Streetguard 3 suit leaves nothing to be desired. Featuring a new outer material, Keproschild, the Schoeller 3-layer laminate was developed exclusively with and for BMW Motorrad. Keproschild is a 3-layer laminate made of Kevlar (aramid), cotton and polyamide plus the c_change membrane. The Streetguard 3 Suit provides increased safety against wear and drop-skid damage with improved tear resistance and ripstop capability plus frictionheat resistance. The outer material (Keproschild and Dynatec) have a coldblack finish on the outside, to prevent the material from absorbing heat in high ambient temperatures.

Material:

Outer material: Keproschild Black material features Coldblack technology which prevents material from heating up in high ambient temperatures. Protectors:

Removable EN 1621 certified NP protectors at the back, shoulders and elbows. Back protector pockets

are zipped and bottom-opening, for easy removal and reinsertion of the back protector. Visibility:

Highly visible reflective side and back protectors and coldblack finish of the back protector.

Storage: all and 3M Thinsulate liner for optimum insulation. Piece liner on inside of waist and pants. Full-length zipper. (Note: Length of all-

round zipper depends on suit size. Different jacket and pant sizes can be combined only if jacket and

pants have the same zipper length. Connecting zipper (15.5)

Side pocket on right side of pants. Inside pocket on left side of pants. Mobile phone holder:
