

## HP ML350 Gen9 2nd Expander Kit 811216-B21 (500 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-896794-z>

Gloednieuw in doos.

The HP SAS Expander Card provides internal storage expansion within the HP ProLiant DL380 Gen9 Server by allowing support for more than 8 internal hard disk drives when connected to a Gen9 supported Smart Array or Smart HBA controller. This full height card supports 12 Gb/s SAS connectivity and features 9 internal ports with a maximum of 26 physical links. The SAS Expander Card is ideal for DL380 Gen9 Server users who want to RAID more than 8 internal hard disk drives or who want to add an additional internal drive cage and RAID across all the internal drives depending on the controller. This option kit contains all the cables necessary to connect the different SAS drive cages supported on the DL380 Gen9.
