Hyundai i40 in a perfect condition, , it doesn't need any repairs. I have never had any accident or even a bump while driving it . Well maintained in Hyundai service , with a low mileage. Such car will serve you for years. It doesn't cause any problems and looks really nice. I used it for 1 year and I am a second owner . APK is till 25.05.2020

It seems like a new car. The drive is smooth and the engine is truly quiet. It's really worth its price.

I'm selling my Hyundai because i want much smaller car .
