19300 miles

The definition of a "power cruiser" is this: M109R .. And what a cruiser! Our vacations with this cruiser were great, everywhere we toured Europe this engine turned heads. Enough power to be able to cruise in a relaxed way, even with a passenger or a substantial amount of luggage.

The engine has been carefully maintained. It is supplied with almost new tires (less than 300-400 km), fresh Bel-Ray engine oil and card oil, K&N filters, comfort accessories (soft seats, backrests, etc.). No investment is required in the coming period.

I believe the pictures speak for themselves, if you have any questions, don't hesitate to ask.

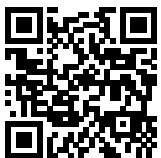

De reden dat ik de motor verkoop is dat ik graag een Adventure bike wil kopen.

Available by phone after 5 p.m. Monday through.
