

Pre-Sales amp Integration Manager

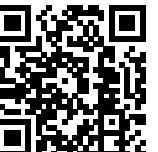

Locatie **Noord-Holland, Amsterdam**
<https://www.advertentiax.nl/x-915109-z>

Our client a leading Mobile Advertising Network is looking for a Presales & Integration Manager to our team focused on supporting our clients and partners around northern Europe. The clients and partners are large media houses/agencies, direct clients and smaller independent publishers / application owners. The role will require a blend of technical and customer facing professional services skills. The Presales & Integration Manager will give technical advice during pre-sales and be responsible for educating the tools we provide along with execution and maintenance of our partners various integrations. From a technical perspective, the role will require a basic competence in the three major mobile programming platforms, mweb, iOS and Android. In order to move forward in the recruiting process you need to have knowledge within at least one of the three platforms mentioned.

Further, the Presales & Integration Manager will:

- â€¢ Advice, assist and support our clients and partners in implementing and leveraging mobile ad solutions
- â€¢ Engage in pre-sales activities in cooperation with our Partnerships & Sales organizations
- â€¢ Provide tech support to demand and supply side platforms
- â€¢ Have full ownership of the various tasks and integrations included in the role within your country).
