

# Motorola Moto C plus nieuw

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-920632-z>

Motorola Moto C plus, juli 2018 gekocht via Belsimpel voor €90 als werk telefoon. Aankoopbon zou ik even moeten zoeken.  
 Ligt niks te doen omdat ik bij m'n privé telefoon de dual sim gebruik. Telefoon is nieuw, altijd een hoesje en tempered glass gehad.

Specs:

besturingssysteem

Android, 7.0, Nougat

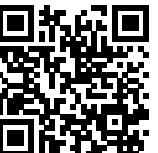

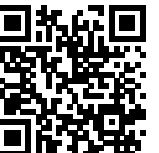

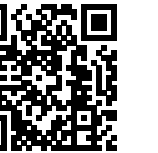

systeemarchitectuur/processor

MediaTek MT6737 64-bit quad-core 1.3GHz processor

geheugen (RAM)

1 GB / 2 GB

opslagruimte (ROM)

|                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |
