

# Ligplaats Lelystad Haven ook in daghuur (0 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-932988-z>

Door omstandigheden kan ik zelf niet meer zeilen op het Markermeer.  
 De ligplaats in Jachthaven Lelystad in Lelystad Haven (Oostvaardersdijk 59) is beschikbaar tot 1 november.  
 Ideale uitvalsbasis naar het Markermeer, de Markerwadden, Volendam/Edam etc.  
 Tien minuten varen naar de Houtribsluizen en de toegang naar het.

|                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |
