

Technologist

Locatie

Overijssel, Enschede https://www.advertentiex.nl/x-944004-z

For their Innovation Center department Pentair in Twente is looking for a Technologist.

At Pentair, we believe the health of our world depends on reliable access to clean water. We deliver a comprehensive range of smart, sustainable water solutions to homes, business and industry around the world. Our industry leading and proven portfolio of solutions enables people, business and industry to access clean, safe water, reduce water consumption, and recover and reuse it. We help ensure water is clean when returned to the environment. Whether it's for fitness and fun, healthier homes, better flood control, safer sky rises, more sustainable ways to farm, or safe drinking water for those who need it most, we won't stop until the world's water is managed the best way possible.

From approximately 130 locations in 34 countries, Pentair's 10,000 employees are united in our unwavering belief that the future of water depends on us. Our 2018 revenue was \$3.0 billion, and we trade under the ticker symbol PNR.

Job Description

Set-up, plan and execute experiments, related to membrane separation/filtration research on different scales (from lab to industrial scale):
