Suzuki Swift 2008 in very good condition. I am selling it because I am moving out of The Netherlands.

I am the second owner. I bought it in an official Suzuki dealer where the first owner also bought it. All the services have been done on time in Suzuki dealers as well.

The car works perfectly fine, it has never been involved in an accident and its APK is valid until May 2020. On average, it consumes 1 liter per 15Km. The taxes are around 33 Euros per month and a full casco insurance costs around 60 euros per.
