I am selling this great MX5 because I need a bigger car now and not next spring. If I could sell it next spring then the normal price would be around 8000€ so if you want to save yourself more than 1000€ then better go for it. There won't be need to spend a single € for the car as it is in perfect condition. You can check any Mazda garage to see that services were in an official Mazda garage. It has always been kept in an underground garage so no rain or snow have damaged the car. It will be delivered with a hood protection and 2 aircompressors for the.
