

## zeilboot X-79 te koop (7.000 EUR)

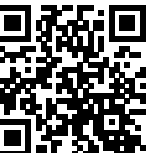

Locatie **Zuid-Holland, Oegstgeest**  
<https://www.advertentiax.nl/x-960729-z>

X-79 bouwnummer 206 is te koop.  
 Nadat wij de boot in 2018 overgenomen, hebben wij met veel plezier meerdere vakantie en clubwedstrijdwedstrijdjes beleefd op deze boot. En bieden wij deze boot weer opnieuw aan, omdat een groter jacht op ons pad gekomen is. In de periode dat deze boot is ons bezit is zijn veel updates uitgevoerd aan de boot.

Bouwjaar 1985.  
 Meerdere zeilen(grootzeil, genoa, fok (recent gecheckt door zeilmaker) en spinaker)  
 Stuurautomat,  
 Marifoon(handheld),  
 Dieptemeter, windmeter en log.  
 Motor Yamaha FT9.9 High Thrust met elektrische start en laadcapaciteit (aug 2015).  
 Giektent, parasol, zomer/winter kuipruik.  
 Chemisch toilet, verwarming,  
 Extra tweepersoonsbed met dikke kussens,  
 Gasstel, stromend water.  
 Nieuwe accu(augustus2019) en lader.  
 Juli onderwaterschip opnieuw in de antifouling gezet.

Ligplaats Warmond.

|                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |
