Onze divisie ABB Electrification Products is onderdeel van de wereldwijde ABB groep. De divisie Electrification Products specialiseert zich in het ontwikkelen en optimaliseren van energie producten en systemen voor woningen, gebouwen en de industrie. Jij zal werkzaam zijn op de Electrification Products Distribution Solutions afdeling (EPDS). Deze afdeling is verantwoordelijk voor het technische en commercieel afhandelen van laagspanning en middenspanning systemen, producten en service activiteiten. Door het groeiend aantal reparaties binnen onze service afdeling zijn wij op zoek naar een stagiair voor onze service afdeling. Wat ga je doen bij ABB? Tijdens jouw stage ga je meewerken in het Service Tenderteam. Je ondersteunt hen met het uitwerken van offertes en het afhandelen van service reparaties. Dit team ontvangt nieuwe service aanvragen voor o.a. reparaties aan vermogensschakelaars. Je ondersteunt hen met het onderzoeken van de defecten en het uitwerken van offertes. Na ontvan...
