

Garmin Striker Plus 9 SV GT52HW-TM Transducer Stuntprijs (699 EUR)

Locatie **Flevoland, Almere**
<https://www.advertentiax.nl/x-962960-z>

GARMIN STRIKER PLUS 9 SV + GT52HW-TM TRANSDUCER

Garmin STRIKER Plus 9sv met ingebouwde GPS en WiFi antenne. Met de Quickdraw Contours kaartsoftware kunt u kaarten met 30 cm (1 ft) contouren maken en opslaan. De ingebouwde Wi-Fi geeft toegang tot de ActiveCaptain app waarmee u meldingen ontvangt op je smartphone, en toegang krijgt tot de Quickdraw Contours community en waypoints en meldingen voor software-updates kunt overzetten. Met een helder 9 inch scherm dat goed afleesbaar is in de zon en een makkelijke gebruikersinterface. De ingebouwde, ultragevoelige GPS vindt en behoudt uw positie waar u ook op het water bent. Met de GPS kunt u waypoints markeren voor verschillende locaties. Dus als de vissen op één plek bijten, kunt u die plek markeren en er de volgende keer naar teruggaan. Markeer havens, boothellingen en andere locaties op het meer en maak routes om er de volgende keer naar terug te gaan. De Garmin STRIKER Plus 9sv ondersteunt Garmin ClearVü™ scanning-sonar voor bijna een fotografisch, breed beeld van wat er onder uw boot gebeurt. Het biedt ook ondersteuning voor Garmin SideVü™ scanning-sonar voor een helder beeld van wat er naast uw boot gebeurt, zodat u structuren, onderwaterobjecten en vissen helder kunt zien. Het Garmin CHIRP traditionele sonar biedt heldere en opmerkelijke doelenscheiding.

Specificaties Garmin STRIKER Plus 9sv:

Afmetingen 28,2 x 16,5 x 6,0 cm Gewicht 1,1 kg Waterbestendigheid IPX7 Type scherm WVGA kleurscherm Schermgrootte, BxH 9" Schermresolutie, BxH 800 x 480 pixels Geschikt voor dual-frequency echolood Geschikt voor dual-beam echolood Sonar traditioneel ondersteuning: 50/77/200
