

Seat Leon 1.8 20V 92KW 2003 Blauw (2.750 EUR)

Locatie **Flevoland, Almere**
<https://www.advertentieX.nl/x-972813-z>

I bought this car for a transition period. It is fun however safe to drive. I have changed oil and filters. Everything else is checked and good. It looks good on the outside and inside. Rides very good. I still drive it daily for the moment. Call or text if you have any.
