Bedrijfsomschrijving

Dell Technologies is a collective of customer-obsessed, industry-leading visionaries. They believe that technology is essential for driving human progress, and the technology they provide transforms the way we all work and live. But they are more than a technology company they are a people company. They recognize that over 100,000 employees across six continents have different interests and aspirations. They inspire, challenge and respect each and every one of them, every day. And they provide them with unparalleled growth and development opportunities.

Functieomschrijving

For Dell Technologies we are looking for a Sr. Analyst Marketing Communication role in EMEA to support localization of Global marketing campaigns targeted to the Commercial & Channel business. You will be part of the CSG (Client Solutions Group) Commercial Marketing Delivery team. The role will primarily focus on executing quarterly multi-vehicle activities (mainly digital: emails, banners, social media etc.) and the commercial campaign plan which includes managing production schedules, requesting translations, governance of creative requirements, and ensuring on-time delivery and error-free every time. This role requires working cross-functionally with internal and external stakeholders including the global creative team, go-to-market, partner marketing, legal, product merchandising and agency and contractor teams.
