On sale my 2 months old Samsung Galaxy Note 10 Plus, it's the 256gb version in Aurora glow color, It's in awesome condition with sticker on the back from day one, no scuff or dents, all accessories are present and unused, It come with 2 extra covers (one Spigen and a nice Bamboo one) and an original usb-c to audio adapter, naturally the phone is with his original invoice.

I'm a serious seller from long time, so, I know all the kind of scam/fraud, I accept only bank transfer and I prefer exchange in person, as the buyer can take all the time to test the item. I would have a pleasant business, as I think you want.
