This is a beautiful Suzuki Marauder 800 1998, the ride is smooth and it has a lot of grunt. I bought it a five months ago and used as my commute to work ever since, but unfortunately my foreign license expired and it'll take a while until I take my Dutch one. The bike has 27k Km, the engine runs perfectly, it has been recently reviewed, all fluids and filters have been changed. The rear tyre has a puncture and needs to be fixed or replaced. The fuel tank paintjob is a bit old, but the colour is awesome. I've got a very nice Scorpion helmet as well, so if you really like it, you can ride it back home. If you want to have a look and even take a test ride, let me.
