The **SILVER SPORT** is a beautiful, classic shape, designed for weekend and family cruises, as well as for racing. The boat has a stainless steel hull to improve its durability and functionality. It is a simple and elegant boat with a slightly oval hull, which gives it a very good performance in case of waves. Thanks to its high side and a wide bottom, it offers unusual stability.

It is a boat good for paddling, as well as to be covered with a motor and electric engine, which makes it usable in water regions where rules of silence apply. The Silver 405 is equipped with one thwart in the middle of the boat, bow and stern seats and two storage compartments.

Additionally, it is possible to install a sun board and mattresses, which let you rest comfortably and enjoy
